“Long before America was discovered, Poland had universities and was leading in world education. Long before England's Magna Charta was forced on the king, Poland had freedom of religion and freedom of speech. The purpose of this garden is better to acquaint not only the American people, but others, with the quality of Polish culture.”

County Judge Frank A. Piekarski of Pittsburgh, Principal speaker at 1934 dedication of the Polish Cultural

Garden.CONTACTS: [Media] Polish Garden, Ben Stefanski (216) 431-0913; TCCGF, Ray Saikus (216) 514-7001 or info@tccgf.org;
