Dear Friend and Supporter! Kedves Cserkészvezetők!

The American Hungarian Friends of Scouting will be hosting its **60th annual Hungarian Scout Ball** on Saturday, April 30, 2016 at 6 p.m. at the beautiful facilities of the St. Elias Cultural Center in Brooklyn, Ohio. This year we are also commemorating the **65th year of Hungarian scouting** in the greater Cleveland area. What a joy it would be to have members of your organization celebrate these two milestone events with us at this year's ball.

Over the past six decades, our scouts and scout leaders have crossed paths with your members on many occasions partaking in each other's events, working together on projects and supporting many causes together. Through the years, some of your members were or are scouts in one of our troops; some of our scouts were or are active members within your organization.

We would like to invite you and your members to join us by purchasing one, two or more tables of eight (ten is also possible, but with limited availability), at a discounted rate, at our 60th Ball. Having a long relationship in our past histories, it would be wonderful to have representatives from your organization in attendance as a group to witness the presentation of this year's debutantes, enjoy a delicious meal, dance to the music of *Harmonia*, marvel at the elegant court dance of the *Hungarian Scout Folk Ensemble*, and reminisce over old times with many friends. Your continued support would be appreciated.

Please share this information with your membership and encourage them to attend as a group. Our formal invitation should arrive soon under separate cover. More information is available on our website, www.csbk.org. Please make your intentions known by completing the form below and replying by **April 20, 2016**. We will acknowledge your group's attendance on the night of the ball. Hopefully we will see you and many of your members at this event!

Sincerely,

Michael Horvath
Ball committee
